

Coffee/Tea and a catch up!
Tuesday 31st May @ 1 pm

The newly formed parents association committee and the staff of the school would like to invite all of our parents to a post covid catch up in the school on 31st May (Tuesday) between 1 and 2 pm. It will be held in the school sensory garden (weather permitting) or in the sports hall if the weather dictates.

It has been quite a long time since any such interaction has been possible and the support of everyone is being sought to reconnect the parents of all of our children. Tea/Coffee and finger food will be available on the day. An anonymous donation box will also be present for those that wish to contribute.
